FROM THE SUPERVISOR’S DESK...

IMPORTANT MESSAGE

When in Doubt, Throw it Out

Recycling programs across the nation were set back on their heels in 2018 when China, a major importer, banned recyclables imported from the United States. Officials cited contamination as a major factor in the ban. As a consequence of contamination, recycling centers began charging more for the material they accepted and those extra costs are passed on to local communities. Many of the recycling industries followed China’s lead and tightened their contamination standards in response to China’s actions. Recycling centers had to hire extra workers to better sort and clean recyclables before they were shipped. A spokesperson for Waste Management Inc., which handles our recycling, said prices for paper have improved but the company still loses money on the commodity.

There are plenty of items in everyday life that aren’t accepted in recycling bins. Anything tainted with food waste should be tossed. So should the lightweight cups in which hot coffee or cold drinks are sold. This includes the plastic Keurig-style coffee pods. Please review the picture on the top of your recycle cart for the items we can recycle. Our new Town of Lockport Recycling slogan is “when in doubt, throw it out”.

It pains all recyclers to think that something that can be re-used might end up in the trash, but officials say that’s better than having an entire bundle of paper fiber rejected by mill operators because of too much contamination.

Overall, the Town of Lockport residents are doing better than most communities in the recycling effort. Stopping contamination in our recycling is critical. With China no longer buying and other countries considering similar restrictions, we’re going to have to make our recycling cleaner or be prepared to pay financially. We can continue our success by following tight new standards and following the motto “when in doubt, throw it out” each time we place an item in our recycling bin. Together we can solve this problem and help our environment at the same time.

Sincerely,
Mark Crocker,
Lockport Town Supervisor

Please be aware that the bridge on Kinne Road at Wisterman Road is closed until further notice due to unsafe conditions. The box culvert is rapidly deteriorating which poses a hazard to motorists.

We are not certain at this time how long it will remain closed, but be assured that the town and engineers are working diligently to get necessary permits in order to begin construction of a new one as soon as possible. We are sorry for any inconvenience this may cause and appreciate your patience.

Sincerely,
David J. Miller
Highway Superintendent

NOTE FROM:
The Dog Control Officer
NYS Department of Agriculture and Markets requires that all dogs four (4) months and older with a current rabies vaccination be licensed.

FEE SCHEDULE:
(Must be renewed annually at the Town Clerk’s office)
• Spayed/neutered dog - $8.00
• Non-spayed/non-neutered dog - $18.00

The Dog Control Officer’s duties include: enforcement of dog licensing and ordinances and dog bite investigations.

Dogs must be effectively restricted or controlled by a person or a leash not exceeding 15 feet in length. Since it is the law, KEEP ID TAGS ON YOUR DOGS AT ALL TIMES. If your dog goes missing, contact us immediately. If the animal has identification tags on it and was licensed in the Town of Lockport, we can expedite the process of returning the animal to the owner. Please note, we cannot release them if they are not licensed. In the case of no identification, the dog will be taken to the Niagara County SPCA where you will be required to provide proof of licensing and rabies vaccination along with paying a $25 redemption fee at the office before attempting to pick up your dog.

I am sorry to say that this will be my last article, after 15 years as your Town Historian. I have enjoyed the Position, and have learned a lot about the Town, and hope that I have been able to pass along some things that you did not know. I have done a lot of thinking about this, and decided that I would like to be able to help my successor learn what she can from me, rather than step in out of the cold, as I and most other appointed Historians have done. In most cases, the new Historian replaces some one that has died, or left the position without helping the new person. Sad to say, but in many cases there were things in their home that were not recovered.

When I was appointed Historian, I inherited a filing cabinet and a few other articles that were in the Break Room of the Highway Garage. With the backing of the Town Board, I was able to get the 160 year old 1-room stone School on Chestnut Ridge Rd. rehabilitated for less than $20,000. I have been able to acquire a substantial amount of historical town info and records to fill the School, and I would like to thank the Town officials and the residents for their help!!

I look forward to working with my replacement – Jean Linn, helping her to learn more about the “Historical Town of Lockport”!!

It has been a few years since I explained the difference of the people and groups involved in local history, so here they are:

**Town Historian** – A position mandated by the State, and appointed by the Town Board to collect and maintain information relating to the history of the Town. I am always looking for more, and will gladly show you what I have. Please call me, and I will meet you at the School.

**Town of Lockport Historical Society** – A group of citizens, from any locale, interested in local history. We meet 8 times a year (except Jan., Feb., July and August), at the Pomeroy School or at Town Hall. We are always looking for new members, and new ideas. We re-organized last year, and had a very successful year of programs and activities, so come and check us out.

**County Historian** – Appointed by the County Legislature, and is located in the old Civil Defense building at 139 Niagara St. This office collects and maintains historical information relating to all of Niagara County.

Niagara County Historical Society, also known as the History Center, is at 215 Niagara St., and has several buildings in the area. They also operate the Erie Canal Discovery Center at Church St. and Ontario St.

If you have any questions or information that I can use, please call me.

**Introducing Our New Town Historian**

A big Town of Lockport welcome to Jean Linn as our new Historian!

Shown above with Deputy Supervisor Paul Siejak and Supervisor Mark Crocker

Jean was recently appointed by the Town Board after the retirement of long time historian Larry Haseley who served in that capacity with great passion and dedication since 2005.

She has an extensive background in library, archives and museum professionalism, and graduated in 2004 from the University of New York at Buffalo with a Bachelor’s Degree in Anthropology & Psychology. Currently, Jean works at Niagara County Community College as Cataloging Librarian & College Archivist. Prior to being appointed as Town Historian, served as President of the Town of Lockport Historical Society.

Please join us as we welcome Jean to the Town of Lockport team! A special thank you to outgoing historian Larry Haseley who served in that capacity with great passion and dedication since 2005.

She can be reached via email at jeannlinn@gmail.com or by calling 438-2159 on Saturdays when she is at the Chestnut Ridge School or 870-3916 at any other time.

Paul W. Siejak - Deputy Supervisor
Refuse/Recycling Pick Up: Please remember to have your garbage/recycling out by 6 am. Also, if your garbage/recycling haven’t been picked up, remember there may be a few things that have happened. The truck could have broken down, there may be a new driver on the route, or they may be emptying the truck. If you still haven’t been picked up by 3 pm, please call the highway office at 439-9522. The highway clerk will call our representative from Waste Management to find out what is happening. Also, Waste Management only has major holidays off: New Year’s Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas.

If you would like to purchase another recycling tote you may do so at the town clerk’s office. The 65 gallon totes are $45.00 and the 96 gallon are $50.00. The town clerk’s office will inform the highway clerk and she will have one delivered.

Mailboxes: If your mailbox is hit by our snowplows, please call the highway office. We will replace it with a standard mailbox. If you live on a county road, you will need to call 439-7360. If you live on a state road you will need to call 438-2396.

Yard Damage: If your yard is damaged from a snowplow, please call the highway office. The highway clerk will take your information and we will fix any damage when the weather is better.

Brush Pick Up: Brush pick up is the third Monday of the month from March – November. Please have it out by Sunday night. The highway department picks up brush throughout the town. Please be patient if your brush hasn’t been picked up on Monday, it will be soon after.

**SIDEWALK AND INTERSECTION IMPROVEMENTS COMPLETED**

Greetings,

The Lockport Town Board is proud to announce that the safety and mobility improvement project along Robinson and Dysinger Roads (Rt. 93) is now finally complete. This project consisted of the installation of new Sidewalks on both sides of Robinson and Dysinger Roads from Transit Road to Raymond Road and also addressed the safety deficiency at the Intersection of Beattie Avenue and Dysinger Road. Your Lockport Town Board lobbied hard to New York State Department of Transportation officials, for these much needed safety improvements along this busy corridor. After working with State officials over the past few years, the end result of the project is safer for pedestrians and has improved traffic flow at that intersection with dedicated left hand turning lanes and corresponding signalization. The new signalization at this intersection features flashing yellow left turn arrows which are approved by the Federal Highway Administration.

REMEMBER A FLASHING YELLOW LEFT TURN ARROW = TURN WITH CAUTION. Drive Safely!

Best Regards,

Best Regards,
Paul W. Siejak - *Deputy Supervisor*
