PRESS RELEASE

FROM LOCKPORT MAYOR MICHEAL W. TUCKER:

Lockport Mayor Michael Tucker praised City plow crews in the wake of these weekends' double snowstorms. "The guys went the extra mile, literally," Tucker said. "I was at the streets department garage on Friday night when the first storm broke and quickly activated the plows," he added, "We did the same thing Sunday night and as a result, we got the jump early and streets were in good shape Monday morning,"

Tucker noted he plans to continue his new snow removal plan and will be working with the Department of Public Works Commissioner Gary Andes to streamline it this week.

"I promised to be a hands on Mayor and showed that this weekend," he said. If residents have snow problems on their streets, they should call the street garage during business hours at (716) 433-1267 or call me at home after hours. My number is (716) 434-8968.

Tucker added, "I've promised to keep costs down, but when it comes to safety, we'll spend what we need to. You can't put a price on human life."
